

### Evaluation of Annual Plan (2021-22)

The following programmes are adopted with the support of the EDB's Diversity Learning Grant (DLG):

#### S.6 (Cohort 11)

DLG funded Programme	Strategies and benefits anticipated	Name of programme(s) and course(s) and provider(s)	Evaluation of student learning / success indicators	Evaluations
Gifted Programmes	To stretch the top English students to attain Level 4 or higher in DSE	English Enhancement Class	Students attain Level 4 or above in DSE	Most students were very conscientious and attentive in class. Several students would stay behind after class to ask questions. Attendance was satisfactory. On the whole, students' ability was a bit varied. The vocabulary power of some was not strong enough and had to be boosted.

	To enhance students' English language ability especially in writing	English Writing skills class	Students show improvement in their writing ability.	This was conducted by the alumni tutors. They commented that students were teachable although some lacked language accuracy. Most students were disciplined and submitted their writings timely.
Gifted Programmes	To help students who are capable in other subjects but relatively weaker in English	English Remedial Class	Students make progress in their performance based on the Mock Exam/ DSE results	The Tutor said most students were eager to learn and were attentive during the lessons. Students had shared that they had learnt a lot more vocabulary and parts of speech. They were also willing to share their answers when called upon and serious about the level they attained for each Mock Test.

	To terminate U & Level 1 students	English Remedial Class	Students make progress in their performance based on the Mock Exam/ DSE results	The Tutor focused on Paper 2 writing skills including theme collocation phrases and paragraph writing. Ss found the class quite useful for helping them organize ideas into paragraphs with the help of collocation phrases. 10 most common theme topics were taught with abundance coverage of theme vocabulary items, phrases and paragraph samples.
	To enhance students' Chinese language ability especially in integrated skills	Chinese Integrated skills class	Students show improvement in their integrated skills.	超過 70%參與同學認為課程有助提升他們的應試技巧
Gifted Programmes	To enhance students' Chinese language ability especially in writing	Chinese Writing skills class	Students show improvement in their writing ability.	超過 60%參與同學認為課程有助提升他們的審題及組織能力

<p>To enhance students' Mathematics skills especially in section B questions (Advanced questions)</p>	<p>Mathematics Enhancement Class</p>	<p>Students attain Level 4 or above in DSE</p>	<p>The majority of students found the course useful and it helped to strengthen their Maths skills in section B questions.</p>
<p>To stretch the top Physics students to attain Level 4 or higher in DSE</p>	<p>Physics Enhancement Class</p>	<p>Students attain Level 4 or above in DSE</p>	<p>Students could get a better understanding of the marking schemes of the public examination and develop better skills in answering questions</p>
<p>To stretch the top Chemistry students to attain Level 4 or higher in DSE</p>	<p>Chemistry Enhancement Class</p>	<p>Students attain Level 4 or above in DSE</p>	<p>Students have more chances to tackle some challenging questions and have a better understand of the marking schemes of the public examination</p>

<p>Gifted Programmes</p>	<p>To enhance DBQ and essay skills in DSE</p>	<p>History Enhancement Class</p>	<p>Students attain Level 4 or above in DSE</p>	<p>Students found useful and got enhancement both in DBQ and essay skills in the course. They can keep the mock exam result as the DSE result.</p>
<p>Network Programme</p>	<p>To prepare PE students for their exam by booking sports facilities for their learning</p>	<p>Booking of Sports Ground and Coaches for School Athletics and Ball Games Examinations</p>	<p>Students feel more confident in the DSE exam after doing a mock exam</p>	<p>Due to Covid-19, it was cancelled</p>
	<p>To stretch the top PE students to attain Level 4 or higher in DSE</p>	<p>PE Enhancement Class</p>	<p>Students attain Level 4 or above in DSE</p>	<p>Most students gave positive feedback about Japanese learning</p>

APL	To enable students to learn practical skills for work and study	APL	Students fulfil an 90% attendance rate and complete the assessments offered by the course providers	Most students gave positive feedback about APL learning.
